RE: Route 10 (I-95 to Ware Bottom Springs Road) Project ARRA Funds
UPC 94857

Dear Governor Kaine:

Pursuant to the certification requirements of the American Reinvestment and Recovery Act (ARRA), this letter is to confirm that the Route 10 (I-95 to Ware Bottom Spring Road) project funded in part with ARRA funds through the sub-allocation of funds to the Richmond Area Metropolitan Planning Organization is ready to begin. Chesterfield County is cognizant of the timeline for expending these funds and is committed to satisfying all state and federal requirements necessary to fully obligate the funds by March 2, 2010, and complete the project by February 2012. This is an important project to both the state and county, funded with federal, state, and county funds. We have had many successful projects together and look forward to making these improvements to Route 10.

Sincerely,

A handwritten signature in cursive script that reads "Jay Stegmaier".

Jay Stegmaier
County Administrator
